

MUHAMMAD MAHFUJ

Web Developer

ABOUT ME

I am a tech enthusiast with a love for technology and innovation. I am passionate about web development, video editing and motion graphics. And also, proficient in Google Suite and other management apps like slack, clickup, notion and toogle. My strong communication skills and ability to accept constructive criticism drive my continuous improvement, Alhamdulillah.

EXPERIENCE

Video Editor (Full Time)

Sep 2023- Present

Sean Publication

I am currently working as a video editor at sean publication. In the past year I have created more than 50 videos, shorts and simple product animations. I am also working in their studio, shooting videos of interviews and products.

Graphics Designer

2021-2022

Wafi Publication

I have worked in Wafi Publication's Online marketing for over a year, creating eye catching content designs and writing engaging posts.
